Tender documents for supply & install equipment

No#: CCHP/-BEEP -A-B.4.31-0033/1 **Project:** BIM for energy Efficiency in the public sector

"BEEP project aims at strengthening the use of Building Information Modelling (BIM) to enhance energy efficiency in buildings. The testing of this emerging technology on built heritage will be performed to demonstrate its ability to the entire building stock. The project will provide public administrations with a powerful method for the energy rehabilitation of public buildings to be supported with private funds through the Energy Performance Contracting. The projects main outcome will be an innovative methodology based on the integration of emerging technologies tested on heritage public buildings.

The Centre for Cultural Heritage Preservation – CCHP is planning to supply & Install Equipment and supplies, this project is funded by the ENI CBC MED Program through the Centre for Cultural Heritage Preservation.

The suppliers are kindly requested to provide us with a financial offer according to the following:

- A meeting will be held on Tuesday August 11th,2020 at 12:00 am at CCHP office.
- Offers should be submitted to the Centre for Cultural Heritage Preservation in sealed envelopes not later than 12:00 am on August 20th, 2020 at in CCHP office.
- Deadline for deliver & Install the requested material is August 31th, 2020.
- Price should be in Euro currency & excluding V.A.T. (this project is vat exempted).
- The suppliers are requested to submit a security bid guarantee (%5 of the bid value) valid for no less than 90 days.
- The winner should provide CCHP with valid Khasem Masdar and Tax Invoice.
- The winner should provide CCHP with one-year warrantee for the submitted equipment.
- CCHP is not obliged to accept the lowest price.
